Day 9 of Israeli War On Gaza

Death toll 470, injured 2600, disastrous humanitarian situation

By Sameh A. Habeeb, A Photojournalist, Humanitarian & Peace Activist in Gaza Strip.

Gaza Strip, 4, January, 2009- Israeli army started the ground military operation vowed of launching it years ago. Many Palestinian civilians killed and their number is dramatically rising. Meanwhile, a small number of Palestinian militants killed in the ongoing clashes through the Gaza Strip.

The operation started Saturday 8pm accompanied by heavy coverage from Artillery machine, naval gunboats and Air force. Five key access witnessed the advancement of Israeli army. In the north a group of tanks and soldiers advanced from Ertiz crossing and another group from Bait lahia town near the old settlement of Doghit. In east of Gaza City, several tanks advanced from the crossings of Al Muntar and Nahal Oz. Part of these troops advanced south east of Gaza and cut the main street of Slah Al edin. On the south, Israeli troops occupied the airport and set military outposts.

In Bait lahi town, a strike killed 17 people most of them civilians and amongst them children and medical staff of an ambulance vehicle. A number of injured were reported to be on the venue of bombings but medical vehicle were not able to reach them.

Condemnations from EU, Turkey, Arab and foreign countries didn't halt the Israeli military operation in the Strip. Humanitarian and medical conditions still dire. People committed to their houses without water due to power cuts and inability to operate key drinking water wells in Gaza.

Medicine students are being called to the local hospitals to deal with the number of victims which is dramatically going up. In opposition of Israeli key target of thing hamas militants, most of victims are civilians and this is so obvious in Gaza hospitals. Around 10 militant killed today and all the rest are normal people who have nothing to do with firing rockets and militants.

Deadly Outcomes of Israeli Ground Military Operation:

1- Israeli Air forces strike on a water well that provides fresh drinking water for thousands in Jabal Al Kashif east of Gaza City.
